BRUT - 1<sup>ER</sup> CRU - BLANC DE BLANCS

## « The spirit of the vintage by Gimonnet »

Fleuron means "flagship" is selected from only the great years. The Fleuron cuvée, a true showcase of our vintages, is a work of assembly that adds the qualities our best terroirs and «lieu-dit» of our domain. These qualities obviously result from our Terroirs (mostly from Cramant and Chouilly) but according to our conception of Champagne, it's always essential to add some Cuis 1<sup>er</sup> Cru to give some freshness and delicacy. A great wine is a balance wine between structure, fruit, elegance, and minerality and definitely pleasant...

And to reach that, assembly prevails...
